

Beauty Therapy is a thriving industry with an increasing number of competitors. To help you stay ahead of the competition your staff need to hold the necessary qualifications.

Whatever your requirements South Tyneside College is able to offer a range of Beauty Therapy courses to suit all of your needs. These courses combine practical assessment with theory-based assignments and health and safety practice.

Whether your staff are new to the industry or have worked in it for years, our range of nationally recognised qualifications help you get your business to where you want it to be.

Beauty Therapy Courses

City & Guilds NVQ Level 2 Beauty Therapy

This course of study is for staff already working in a salon environment. The programme will develop the knowledge and skills to practice a range of treatments which will include: manual facial, manicure and pedicure, make-up and eye treatments and waxing/depilation. This varied programme of study is made up of units which include health and safety, promoting additional products or services to clients and developing and maintaining effectiveness at work. Learning and assessment will take place in the workplace. On successful completion of this qualification progression can be made to the Level 3 Beauty Therapy.

City & Guilds NVQ Level 3 Beauty Therapy

This advanced course of study will further equip your staff to work in your salon / spa as a beauty therapist. It will develop knowledge and skills to practice a wide range of treatments which will include; electrical facial and body treatments, body massage, aromatherapy and epilation. This varied programme of study is made up of units which include health and safety, promoting additional products or services to clients and contributing to the financial effectiveness of the business. Learning and assessment will take place in the workplace. On successful completion of this qualification progression can be made to the Level 4 Beauty Therapy.
